The petitioner-Association has sought for a direction to the respondents to go ahead with the selection process already started and to complete the same expeditiously.

2. Evidently, the selection process made mention in the writ petition is the one covered by Ext. P1 judgment of the Division Bench of this Court wherein the University along with others is a party. The Division Bench has directed that the selection process should be completed within a period of 3 months. I have no reason to assume that the University will not comply with the above directions, unless the Apex Court issues orders to the contrary in the S.L.P. said to have been filed. As long as the above Division Bench judgment holds the field, it is unnecessary to issue superfluous directions to the University in these proceedings. W.P.(C) is premature and is dismissed.
